If you do not want to receive communications from us, please indicate your preference by sending an email to hello@electric.ai.
- If you click on a link to a third party website or service, a third party may also transmit cookies to you. This Privacy Policy does not cover the use of cookies by any third parties, and we aren't responsible for their privacy policies and practices. Please be aware that cookies placed by third parties may continue to track your activities online even after you have left our Site, and those third parties may not honor "Do Not Track" requests you have set using your browser or device.
- We may use this data to customize content for you that we think you might like, based on your usage patterns. We may also use it to improve the Site – for example, this data can tell us how often users use a particular feature of the Site, and we can use that knowledge to make the Site interesting to as many users as possible.

Legal Obligations

We may share any Personal Data that we collect with third parties in conjunction with any of the activities set forth under “Meeting Legal Requirements and Enforcing Legal Terms” in the “Our Commercial or Business Purposes for Collecting Personal Data” section above.

Business Transfers

We may choose to buy or sell assets, and may share and/or transfer account, contact, and other Personal Data in connection with the evaluation of and entry into such transactions. Also, if we (or our assets) are acquired, or if we go out of business, enter bankruptcy, or go through some other change of control (in whole or in part), Personal Data could be one of the assets transferred to or acquired by a third party.

Data that is Not Personal Data

We may de-identify your Personal Data so that you are not identified as an individual, and provide that information to our partners. We may also provide aggregate usage information to our partners (or allow partners to collect that information from you), who may use such information to understand how often and in what ways people use our Site, so that they, too, can provide you with an optimal online experience.

Tracking Tools, Advertising and Opt-Out

The Site use cookies and similar technologies such as pixel tags, web beacons, clear GIFs and JavaScript (collectively, "Cookies") to enable our servers to recognize your web browser, tell us how and when you visit and use our Site, analyze trends, learn about our user base and operate and improve our Site. Cookies are small pieces of data— usually text files – placed on your computer, tablet, phone or similar device when you use that device to access our Site. We may also supplement the information we collect from you with information received from third parties, including third parties that have placed their own Cookies on your device(s), such as Google LLC ("Google"), Marketo, 6Sense, Microsoft, Facebook, LinkedIn, and Bizible. Please note that because of our use of Cookies, the Site does not support "Do Not Track" requests sent from a browser at this time.

We use the following types of Cookies:

- Essential Cookies. Essential Cookies are required for providing you with features or services that you have requested. For example, certain Cookies enable you to log into secure areas of our Site. Disabling these Cookies may make certain features and services unavailable.
- Performance/Analytical Cookies. Performance/Analytical Cookies allow us to understand how visitors use our Site. They do this by collecting information about the number of visitors to the Site, what pages visitors view on our Site and how long visitors are viewing pages on the Site. Performance/Analytical Cookies also help us measure the performance of our advertising campaigns in order to help us improve our campaigns and the Site' content for those who engage with our advertising. For example, Google uses cookies in connection with its Google Analytics services. Google's ability to use and share information collected by Google Analytics about your visits to the Site is subject to the Google Analytics Terms of Use and the Google Privacy Policy. You have the option to opt-out of Google's use of Cookies by visiting the Google advertising opt-out page at www.google.com/privacy_ads.html or the Google Analytics Opt-out Browser Add-on at <https://tools.google.com/dlpage/gaoptout/>. We also use Marketo, Bizible, 6Sense, LinkedIn, and Facebook to collect and process data about visitors to the Site.
- Retargeting/Advertising Cookies. Retargeting/Advertising Cookies collect data about your online activity and identify your interests so that we can provide

advertising that we believe is relevant to you. For more information about this, please see the section below titled “Information about Interest-Based Advertisements.” We use LinkedIn, Facebook, and 6Sense for interest-based advertising.

You can decide whether or not to accept Cookies through your internet browser’s settings. Most browsers have an option for turning off the Cookie feature, which will prevent your browser from accepting new Cookies, as well as (depending on the sophistication of your browser software) allow you to decide on acceptance of each new Cookie in a variety of ways. You can also delete all Cookies that are already on your device. If you do this, however, you may have to manually adjust some preferences every time you visit our Site and functionalities may not work.

To explore what Cookie settings are available to you, look in the “preferences” or “options” section of your browser’s menu. To find out more information about Cookies, including information about how to manage and delete Cookies, please visit <http://www.allaboutcookies.org/> or <https://ico.org.uk/for-the-public/online/cookies/> if you are located in the European Union.

Information about Interest-Based Advertisements:

We may serve advertisements, and also allow third-party ad networks, including third-party ad servers, ad agencies, ad technology vendors and research firms, to serve advertisements through the Site. These advertisements may be targeted to users who fit certain general profile categories or display certain preferences or behaviors (“Interest-Based Ads”). Information for Interest-Based Ads (including Personal Data) may be provided to us by you, or derived from the usage patterns of particular users on the Site and/or services of third parties. Such information may be gathered through tracking users’ activities across time and unaffiliated properties, including when you leave the Site. To accomplish this, we or our service providers may deliver Cookies, including a file (known as a “web beacon”) from an ad network to you through the Site. Web beacons allow ad networks to provide anonymized, aggregated auditing, research and reporting for us and for advertisers. Web beacons also enable ad networks to serve targeted advertisements to you when you visit other websites. Web beacons allow ad networks to view, edit or set their own Cookies on your browser, just as if you had requested a web page from their site.

We comply with the Digital Advertising Alliance (“DAA”) Self-Regulatory Principles for Online Behavioral Advertising. Through the DAA and Network Advertising Initiative (“NAI”), several media and marketing associations have developed an industry self-regulatory program to give consumers a better understanding of, and greater control over, ads that are customized based a consumer’s online behavior across different websites and properties. To make choices about Interest-Based Ads from participating third parties, including to opt-out of receiving behaviorally targeted

advertisements from participating organizations, please visit the DAA's or NAI's consumer opt-out pages, which are located at <http://www.networkadvertising.org/choices/> or www.aboutads.info/choices. Users in the European Union should visit the European Interactive Digital Advertising Alliance's user information website <http://www.youronlinechoices.eu/>.

If your deletion request is subject to one of these exceptions, we may deny your deletion request.

Exercising Your Rights

To exercise the rights described above, you or your Authorized Agent (defined below) must send us a request that (1) provides your first name, last name, company, and email address to allow us to verify that you are the person about whom we have collected Personal Data, and (2) describes your request in sufficient detail to allow us to understand, evaluate and respond to it. However, we may offer different tiers of our services as allowed by applicable data privacy laws (including the CCPA) with varying prices, rates or levels of quality of the goods or services you receive related to the value of Personal Data that we receive from you.
